Home Care Services

Doing whatever we can to help you maintain your independence.

Every day in the Greater Lynn area, we're at work in the homes of more than 2,000 seniors and people with disabilities. Why? So that they can hold on to something of immeasurable value: their ability to live independently. GLSS Home Care services include:

- homemaking (cleaning, cooking, laundry)
- personal care (bathing, dressing, getting in and out of bed)

- heavy chores
- grocery shopping
- personal emergency response systems
- adult day health programs

We also offer respite services for caregivers. Our staff includes bi-cultural Russian, Spanish, and Khmer case managers to ensure culturally sensitive care. We provide translation for other languages as well.

Advocacy: Protecting Elders

Elder abuse and neglect happen all too often. But we're doing something about these problems.

In a year, GLSS will advocate for and help protect over 400 elders within the community. We'll also make hundreds of visits to area nursing homes, to assess their quality of care. GLSS is deeply committed to protecting the safety and dignity of elders.

- Our Protective Services unit investigates reports of elder abuse or neglect and intervenes as needed.
- Our Elder at Risk program evaluates “self-neglect” situations. When an elder is having difficulty maintaining independence in their home, we can make a real difference.
- Our Long-Term Care Ombudsman program sends trained volunteers into all area nursing and rest homes regularly. We speak with residents about their care, make sure their rights are respected, and work to resolve problems.

Housing

Each year, GLSS finds safe and affordable housing for elders, including many who have lost their homes.

We help seniors find good housing they can afford. We help relocate elders who have been displaced. And we work to resolve landlord-tenant conflicts.

GLSS also provides full-time Service Coordinators for five senior housing facilities in Lynn and Saugus. These professionals help residents solve problems, obtain services, and take advantage of special benefits available to the elderly. Service Coordinators also regularly visit all residents, to prevent isolation and make sure they're doing okay.

Meals

Tasty, nutritious. *And* we deliver.

Every weekday, Monday through Friday, our Meals on Wheels drivers visit 600 homebound seniors to deliver a hot, nutritious lunch. At the same time, hundreds of others join us for lunch or supper at one of our convenient community cafés in the five-town area. A GLSS meal:

- is well-balanced nutritionally, providing at least one-third of the recommended daily dietary allowance (RDA)
- can include no-sugar desserts, for diabetics and weight watchers
- can be specially prepared, with a doctor's order
- can be Kosher
- is either free or by a small donation (no one is ever denied a meal for lack of funds)
- provides an opportunity for socialization with others.

Transportation

Door-to-door service, for people 60 and older, or for anyone with a disability.

You've probably seen our cars and vans. We put more than 100 of them at your service. All vans are handicapped accessible and have wheelchair lifts. Together, they'll make some 450,000 door-to-door trips in a year. Do you need a ride?

- To a medical appointment. **If you are 60 or older, GLSS can schedule door-to-door transport** in Lynn, Lynnfield, Nahant, Saugus, and Swampscott.
- To anywhere. **If you're any age and have a doctor-certified disability prohibiting you from using public transportation, you're eligible for affordable door-to-door service** 365 days a year, throughout the North Shore and Greater Boston area, thanks to the MBTA's "THE RIDE." Go wherever you like: THE RIDE is not restricted to medical appointments. You must apply to the MBTA to qualify. For more information, call GLSS.
